STATE OF INDIANA, COUNTY OF DUBOIS, ss:

I, John Gramelspacher, Auditor, in and for said County, do hereby certify that the foregoing is a full and correct list of lands and lots returned delinquent for the non-payment of taxes due thereon, from the owners thereof, for the year 1888, and former years, together with the taxes of the current year, 1889, including penalty and interest, and charges due thereon, as appears on record in my office.

In testimony whereof, I have hereunto set my hand and official seal at Jasper, this 3rd day of January, 1890. JOHN GRAMELSPACHER, Auditor Dubois Co., Ind.

NOTICE.

NOTICE is hereby given that so much of the lands and lots described in the foregoing list, as may be necessary to discharge the full amount of said taxes, interest and charges thereon, due from the owners thereof at the time of sale, will be sold at public auction at the Court-House, in the town of Jasper, Dubois County, Indiana, on the 2d Monday in February 1890, between the hours of ten o'clock A. M. and four P. M. of said day, in the manner prescribed by law, and that such sale will be continued from day to day, until all of said lands and lots are disposed of.

Portersville Pointers.

Holidays are past and the entertainment at Portersville church was largely attended. No one went away hungry, as there was plenty of pie and cake. We think the string band boys tried themselves in good music. The Dr. was enjoying himself hugely, at the entertainment, when he was called to the lower part of town, where some of the boys got in a difficulty and had a knock down. Glad to say no one dangerously hurt. The Portersville boys had quite an excitement up on Christmas day, rowing across White river blind-folded. None could make it with the exception of John E. Krodel and Mr. Warren Wagner, who got the turkey.

The people were quite surprised, by the quiet wedding between Mr. Sam. Harris, a promising young teacher of Pike Co., and Mrs. Mary Cavender, of this place. They went to Jasper quietly, accompanied by the bride's brother, Sy. Cox, and wife. On their return the boys had a rope stretched from Giesler's to the opposite side of the street. But Sam. beat them, as he was up to the trick.

The matrimonial fever still rages, as Mr. John Gleer took in his bonnie bride, Miss Mary Welshelt, on Tuesday. He gave a free dance, which was largely attended and a good time had. May both couple live to enjoy their golden weddings. GDDY.

ITALY AND HONORS.—The Kentish Gazette, an English paper, informs us that the Italian government has established stations for stallions in all parts of the country, the cost of construction and maintenance being borne by the district. The government stallions are purchased by committees appointed by a council which regulates everything pertaining to horse-breeding. No stallion is allowed to be used for breeding purposes until it has been duly certified as sound and suitable in all respects.

For the Jasper Courier. Graduates' Examinations.

The county graduates' examinations in Dubois County will be held on the third Saturdays in the months of February, March, and April, 1890. "From time immemorial, talent and industry have been recognized. This recognition has been shown in various ways, viz: by paying a given number of dollars in gold, by presenting appropriate books, instruments, or some design befitting the occasion. It creates a spirit of emulation among the students, that sometimes cannot be created in any other way, and which is bound to result in good to the contestants. We therefore believe that this honor can be more conveniently represented than by an appropriately engraved and handsomely embellished medal," and in view of this fact a solid gold medal will be given to the graduate that receives a general average of not less than ninety-three, and upon the following conditions:

(1) None but those, that have never graduated can contest. (2) The contestants must be common school pupils, must pass the three examinations; and the average of the three general averages will decide who has won, provided it is not less than ninety-three. The medal, of which the above is a cut, may be seen at the County Superintendent's office. It will be presented to the graduate that merits it, at a public meeting as soon after April 18, 1890, as can be agreed upon. Upon the medal are engraved the following words: First Honor—Dubois Co.—1890. Presented to —, by Geo. R. Wilson, Co. Supt. We trust that the teachers of Dubois Co. will use every endeavor to urge their pupils to study, and, if they can, to capture the prize. The following teachers will conduct the examinations: Columbia Tp.—Mr. F. B. Waldrip, at Harris school house. Boone Tp.—Miss LeOra Brittain, at Birch Creek school house. Madison Tp.—Mr. V. R. Greene, at Ireland. Bainbridge Tp.—Mrs. M. A. Gutshall, at Jasper. Hall Tp.—Mr. A. A. Houshmer, at Kalamas school house. Jefferson Tp.—Mr. M. G. Donahoe, at Mentor.

Patoka Tp.—Mr. F. E. Hilseneyer, at Huntingburg. Cass Tp.—Mr. W. H. Clarke, at Holland. Should any pupils, in the other townships wish to pass the examinations, arrangements will be made for them, if they will inform the County Superintendent. The examination questions will be mailed to the township examiner in a sealed regulation envelope, and must not be opened until the morning of the examination, and then, only, in the presence of the applicants. The regular examination blank book must be used. No "legal-cap" or "fool's-cap" paper will do. The township examiner will collect return postage, and forward it with all MSS. to the County Superintendent immediately after the examination. Messrs. or parts of Messrs., sent in any other way, or at any other time will not be accepted. Pupils can get any desired information concerning the rules and regulations of these examinations by asking their teachers, or by addressing the undersigned. To the common school pupils we wish to say: You are engaged in a good work, and are surrounded by those who take sincere interest in your progress and welfare. If you are true to yourself you will be diligent in your studies, remembering that to reach the summit of a mountain you must mount "step by step," and laboriously accomplish the whole ascent before you attain the "Lookout Point," where you gather all the beauties and the benefits of your journey. You are busy toiling up the hill of science. Let your progress be marked by patient and persevering effort, even though difficulties meet you at every turn. Bear in mind that "diligence is the mother of good fortune." Overcome all obstacles until you finish your studies, at which time you shall be fitted in the best possible manner for your life-work, and you will have no reason to regret the course you pursued. Respectfully, Geo. R. Wilson, Co. Supt.

He was born at Mt. Prospect, Crawford county, Ind. He was a brother-in-law of Capt. W. H. Weisman.—N. A. Ledger.

Davies County Democrat, Dec. 23: John Miles, living near Mayesville, brought to this office, Tuesday, some live grasshoppers. He says the wheat fields in his locality are literally covered with them, and unless frost soon comes the wheat crop will be totally destroyed by them.

Frank Williams came home to see the New Year come.

Died, on Dec. 25th, REYNOLD, aged five years, son of Isaac and Emily Hardin. God in his wisdom has seen fit to call little REYNOLD to high, and tho' it seems hard we must bow to His will. The bereaved parents have the heart-felt sympathy of all.

Albert Yates has returned from Illinois, where he has been to see his mother.

Rev. Gill is helping in a protracted meeting in Kentucky.

The Xmas entertainments here, and at other places, were all well patronized and successful.

A very select social was given Saturday night at the residence of S. Anderson, and all report "a time."

Miss Helen Lowndale gave a taffy-pulling Friday night to her many friends.

Mrs. W. D. Rose and little daughter, Alice, are spending a few days with us. "Jacob's Ladder," at the C. P. church, was a success, and every one pleased. The fire-works, managed by Messrs. Aris Stewart, Gene Gill and Mosbey, were simply grand.

The festival given at the M. E. church Christmas was a complete success. Yet I do not believe a church is a proper place to run a peanut stand.

Elder Jas. W. Evans, of Stringtown, has gone to hunt a job, and his family, a wife and three children, almost destitute of food.

Frank S. was in town Saturday and informed us that Barnett Chastean and Ike Melver went to Jasper Thursday to procure marriage license for Barnett, and on their way home Barnett run Mr. Elkins' dog in the yard, and threw a club against the door; that the door was forced open, and one panel burst out and fell in splinters on the floor. Barnett was arrested at 2 o'clock in the morning and taken before his honor, Aaron Moore, J. P. The Squire went home with him at 3 o'clock and united the happy pair in holy bonds of matrimony. went back to his office, tried and fined Barnett \$5 before daylight, and Constable Lashbrooks lodged him in jail the same day. We think marriage is often a failure.

Two married men, John and Philip, of Hall township, went to Stringtown one night last week to visit Mary Sanders. She was staying at her uncle's, and they hired "Squire Moore's" small boy to show them the way. They promised him five cents and paid him one copper. Surely, marriage is a failure.

Some sneak-thief went to Freeman Cox's a few nights ago and stole a skunk hide and four opossum skins.

Last Friday Mort Whittinghill took one and one-half spoonfuls of arsenic and drank three pints of whiskey, and was found at Cox & Co.'s mill about one o'clock in the evening, and taken to his home. Drs. Lins and Whittinghill used their utmost skill in treating the case for eight hours before they could see any change. Mort says he took the poison first, then thought he would rather live, and drank the whiskey, hoping it might save his life.

OLD FOLKS AT HOME.

A gentleman from Pad-uke, who recently went to Washington to consult with his member of Congress about an office under the new administration, was asked by a Boston man whether it was really true that the people of Kentucky are so very bibulous. "Bibulous!" said the Pad-ukean. "Bibulous! I don't reckon you could find a dozen Bibles in the whole state."
